

3M 520S Sandblast Stencil

Category : Polymer , Tape

Material Notes:

3M™ Sandblast Stencil 520 Series, also known as computer cut, is a tan rubber sandblast stencil featuring three differing liner designs.

Computer cuttable 3M sandblast stencil 520S is a slot feed format designed to be used with most computer plotter and can also be used as a friction feed format when liner separation during computer cutting is a concern. Information provided by 3M
