

## 3M FP010609 Matte White Polypropylene Label Product

Category : Polymer , Adhesive

### Material Notes:

3M™ Matte White Polypropylene Label Products FP010602, FP010609 and FP017802 are matte white opaque materials that offer excellent durability and moisture resistance. These label products utilize 3M™ Adhesive P1410, which is a general purpose permanent tackified acrylic that offers excellent adhesion to a wide variety of substrates, including polyolefins. Information provided by 3M
