

3M Scotch® 8651 Strapping Tape

Category : Polymer , Adhesive

Material Notes:

Scotch® Strapping Tape is a high-performance, transparent packaging tape reinforced along its length with continuous polypropylene monofilaments, which give the tape high tensile strength. The polypropylene backing provides excellent abrasion, moisture and scuff resistance. The adhesive is a very aggressive packaging grade adhesive, specially formulated to meet the high demands of sealing corrugated fiberboard cartons, including those with high recycled content commonly used in today's packing materials.
