

ChevronTexaco PRO-GARD® Clean-Up

Category : Fluid , Lubricant

Material Notes:

Chevron PRO-GARD Clean-Up with its exclusive Chevron TECHRON® technology is a powerful engine deposit remover that works in one tankful. Chevron PRO-GARD Clean-Up contains a concentrated level of a special formulation designed to rapidly clean up dirty fuel injectors, carburetors and intake valves. Chevron PRO-GARD Clean-Up will not harm oxygen sensor or catalytic converters, and can be used with oxygenated fuels. Applications Chevron PRO-GARD Clean-Up is designed for all carbureted or fuel injected spark ignition engines. To keep the entire fuel system clean, use Chevron PRO-GARD Clean-Up every 3,000 miles. This product can be used with diesel fuel in light duty indirect injected diesel engines. Not recommended for air-cooled two-stroke engines. TECHRON and PRO-GARD are registered trademarks of Chevron Corporation.
