

## ChevronTexaco PRO-GARD® Gas Treatment

Category : Fluid , Lubricant

### Material Notes:

Engines that are sensitive or in severe service can have performance problems caused by fuel injector deposits. Improvements in gasoline that became mandatory January 1, 1995, may not solve all of these problems. Chevron PRO-GARD Gas treatment with its exclusive Chevron TECHRON® technology is formulated to keep the intake system as clean as it is designed, and to prevent deposit buildup. Applications Chevron PRO-GARD Gas treatment is designed for all carbureted for fuel injected spark ignition engines. Safe to use every tankful. TECHRON and PRO-GARD are registered trademarks of Chevron Corporation.
