

Garlock 135 Natural Sheet Rubber

Category : Polymer , Thermoset , Rubber or Thermoset Elastomer (TSE)

Material Notes:

Garlock Natural Rubber Sheet is manufactured from Food and Drug Administration-approved ingredients. It is a superior, long-life sheet designed specifically for general gasketing, countertops and skirting in all areas of food processing and pharmaceutical and cosmetics manufacturing. Approved by USDA for meat and poultry processing. Style #135 is a full-floating, natural rubber offers excellent abrasion characteristics. Also provides good resistance to most organic salts, ammonia, acids and alkalies. It is non-marking. Tan, smooth or gum finish. Information provided by Garlock Rubber Technologies
