

Michelman® Michem® Coat 40 Plus Water resistant, gluable coating

Category: Fluid, Other Engineering Material, Additive/Filler for Polymer

Material Notes:

Description: Water resistant, gluable coatingUsage: Michem® Coat 40 Plus is a water-based coating designed to provide good water resistance to corrugated board while being cold set gluable with most adhesives. Application data: Michem ® Coat 40 Plus can be applied either in-line or off-line on the corrugator, wet or dry end, rod or blade. Food Contact Information when manufactured in the USA: FDA: 176.170: Components of paper and paperboard in contact with aqueous and fatty foods (Restricted) 176.180: Components of paper and paperboard in contact with dry foods. (Restricted) Information provided by Michelman®
