

Victrex® Vicote® F807 Grey Polyetheretherketone (PEEK) Liquid Dispersion

Category : Polymer , Thermoplastic , Adhesives, Sealants, and Coatings , Polyketone , Polyetheretherketone (PEEK)

Material Notes:

VICOTE® is the brand name for the Victrex range of coatings. VICOTE Coatings are available through Victrex plc or its preferred coater network. The VICOTE F807 Grey grade has been specifically formulated to provide a resilient coating with high wear and abrasion resistance combined with excellent release properties on ferrous substrates such as carbon and cast steels. These properties are retained at high temperatures where other release coatings would potentially fail. VICOTE dispersions have a low level of extractables. VICOTE Coatings have excellent chemical resistance. Information Provided by VICTREX®
