

3M FP024900 White Polypropylene Label Products

Category : Polymer , Adhesive

Material Notes:

3M™ White Polypropylene Label Products are matte white opaque materials that offer excellent durability and moisture resistance. These label products utilize 3M™ Adhesive P1110, which is a general purpose permanent rubber-based adhesive that exhibits quick tack and high ultimate adhesion to a wide variety of surfaces, including polyolefins. Information provided by 3M
