

## Loctite® 7360 Aliphatic Ester Blend Solvent Type Surface Mount Adhesive Solvent (Cleaner)

Category : Polymer , Adhesive , Thermoset

### Material Notes:

Surface Mount Adhesives Loctite® Chipbonder® Surface Mount Adhesives (SMAs) maintain component positioning during wave solder and solder reflow processes. Loctite offers a variety of application techniques including syringe dispense, stencil print and pin transfer. Loctite® syringe dispense products provide good performance for electronics assembly: High Speed Dispense Low Temperature Cure Products for difficult-to-bond substrates Loctite® 7360 Aliphatic Ester Blend Solvent Type Surface Mount Adhesive Solvent (Cleaner) For clean-up and removal of uncured surface mount adhesive. No corrosive properties, No Ozone depletion potential.
