| Physical Properties | Metric       | English      | Comments |
|---------------------|--------------|--------------|----------|
| Molecular Weight    | 222.87 g/mol | 222.87 g/mol |          |

| Descriptive Properties | Value                   | Comments |
|------------------------|-------------------------|----------|
| Assay                  | 68% Eu                  |          |
| CAS Number             | 13769-20-5              |          |
| Form                   | White crystals          |          |
| Purity                 | 99.99+%                 |          |
| Typical Impurities     | Check with Manufacturer |          |
