

SK Chemicals SKYPET[®] BB7755 Specially Formulated PET Resin

Category : Polymer , Thermoplastic , Polyester, TP , Polyethylene Terephthalate (PET) , Polyethylene Terephthalate (PET), Unreinforced

Material Notes:

Description: SKYPET-BB7755 is a specially formulated PET resin for PET bottles especially for hot-fill application. SKYPET-BB7755 provides excellent processability in injection molding and blow molding process, offers low Acetaldehyde contents (max 1 ppm) in the final container, has excellent thermal stability during melt processing, provides high mechanical strength, and provides high crystalline to the bottle. Applications: Fruit Juice containers, isotonic beverages, teas, fruit containing beverages. Information provided by SK Chemicals.
